**c) they agree and accept the following paragraphs 2, 3, 4, 5, 6, 7, 8, 9.**

2. Figures can be reproduced only if they are free of copyright restrictions, i.e. if they are in the public domain or accompanied by permission from the rights holder. Images downloaded from the Internet always require authorization unless expressly declared otherwise in the source. Authors must identify all materials and figures which require authorization for publication and provide the permission on submission of the work to be published. No work with copyright permissions pending will be accepted. The sources of figures and tables reproduced from other publications must be cited.

3. The publication, both in print and on-line, does not imply any transfer of copyright by the Authors to the Publisher: the Authors simply authorize the publication under a [Creative Commons "Attribution-NonCommercial-NoDerivatives 4.0 International \(CC BY-NC-ND\)" license](#). The copyright of the content is maintained wholly by the respective Authors, while the editorial format and the graphical layout of the works published in print and/or on-line by LED remain the exclusive property of LED.

It is consequently forbidden, also in order not to damage the journal statistics, to upload the whole published files to such academic social network sites as *Academia*, *Research Gate* and the like, where the DOI code and/or the link to the issue homepage has to be inserted instead.

It is allowed to upload the whole published files only to institutional officially recognised repositories, established and operated by universities and governments.

4. The author/authors may publish their works at any time and in any form with another publisher, with the following limitations:

- the new publication must not reproduce the graphical layout of the publication which appears under the LED trademark, nor use or reproduce the PDF files published on the <http://www.ledonline.it/> website, except for the cases mentioned above;
- in the new publication, the preliminary page must cite the references of the previous publication under the LED trademark, including the URL of the on-line publication;
- the new publication must not exclude nor limit the publication, distribution or commercial use of the work, hard copy or digital, by LED in any way.

5. LED shall have the right to publish, reproduce, distribute, display and store the works worldwide, even in the event that these works are republished under another heading and/or with another publisher. To this end, LED has the right to make use of all forms of distribution, formats, media (whether known now or created in the future), and channels in current or future use by LED, including databases, either independently or in collaboration with third parties.

6. The files published in *Erga-Logoi* are freely available open access. LED disclaims any liability for the possible improper use of the published works and materials by users of the web site or by third parties.

7. No fee or royalties are due to authors.

8. **Submission and Peer review policy and procedures** – *Erga-Logoi* a peer-reviewed journal. For the submission procedure it is essential to refer to the [Author guidelines](#) published on the Journal's website, **which by this signature the authors expressly confirm that they have read, agreed to, and followed carefully prior to submitting works.** References and footnotes should follow instructions and examples provided there.

9. In case of multiple authors, the Corresponding Author will handle all correspondence with the Volume/Series/Journal editors.
